

COLLEGE SOFTBALL: REGION XIX TOURNAMENT

Skylanders cap successful season

By Herald Staff

EDISON — The Sussex County Community College Softball season came to a bitter-sweet end Saturday.

The Skylanders were eliminated from the Region XIX Division II Junior College Tournament by Camden County College 4-3, a day after winning what coach Nick DeGennaro called the biggest game in the history of the program.

On Friday, the Skylanders knocked off the 12-time Region XIX champion, No.1 Brookdale.

Down by one in the top of seventh, sophomore Kristen Rath's double to the warning track sparked a three-run comeback.

Kelly Appgar tied the score with an RBI single.

"I've never been more proud of any team I've coached in my entire life," DeGennaro said. "We didn't earn a metal but every one of those girls are champions. I've never coached a team with more heart or that showed more courage."

Sussex lost in the semi-final to the eventual champion Gloucester Community College 4-3 Friday.

"It would have been so easy for them to give up," DeGennaro said. "They could have woke up and said there's no way we can win these three games in a row."
